Experience

Jun 2024 - Sep 2024
ITeasy Sp. z o o. | Roosevelta 10B, Łódź

Intern

Actively participated in a project based on Vue 3, implementing dynamic components using Composition API, Vue Router, and Pinia for state management.

Jul 2023 - Sep 2023
ITeasy Sp. z o o. | Roosevelta 10B, Łódź

Intern

I became familiar with the basics of the Spring framework and Docker technology, which allowed me to understand the principles of building web applications and managing containers. I then applied the knowledge gained to design and implement a mobile application in Kotlin, further developing my programming skills in the Android environment.

Jan 2020 - Apr 2020
MLAMP.pl | Wincentego Witosa 4, Włocławek

Intern and Graphic Designer

During the internship, I gained experience in photo editing and preparing visual materials for an online store. I worked on graphic editing using GIMP and published content on the website, supporting product promotion in the e-commerce environment.
